Bookings

Bookings for before and after school care need to be booked in advance (24 hours), to ensure adequate staffing and a spot available for your child. With increasingly high numbers attending the service, this is very important and non-negotiable.

Hygiene and Safety

With the Coronavirus Pandemic still threatening our community, it is vital that our service takes appropriate precautions to maintain the hygiene and safety of our staff and children. We ask that when dropping off or picking up your child, you remain outside of the service. Only parents who are required to make payments should enter the service, using the hand-sanitiser upon entry. Additionally, if your child/ren is feeling sick or unwell, they should not attend the service.
