Parafield Gardens R-7 School has been recognised as a Save the Children United Nations Global Peace School since 2008. We celebrate peace and display the peace initiatives to ourselves, others and the environment.

We do this by:

Each class votes for a member of their class to become a Peace Committee Representative. A Peace Committee meeting is held once a fortnight where all representatives share any news their class has discussed.

They discuss fundraising events and decide which charities will receive the donations. The Peace Committee will MC certain events throughout the year including the AGM, Acquaintance Night, Remembrance Day and other special ceremonies.

Students can be recognised for demonstrating the PEACE Values at our whole school assemblies. The PEACE values are categorised as Personal, Excellence, Attributes, Collaboration and Enthusiasm. These values are described in detail and represented in our mid-year and end of year reports
