

# PARAFIELD GARDENS PRIMARY SCHOOL

United Nations Global Peace School

*Working Together*

## **Building Works Update**

**The Reception students and teachers are loving their new learning areas in Building 3.**

**They are enjoying the light airy space in the break out area as well as their beautiful new classroom spaces.**

**The new modular building is nearing completion and is also looking very light and airy in the classrooms, art area and the breakout space. It will be very exciting for our 2023 Year 6 students to begin their last year at Parafield Gardens Primary School in such a beautiful learning space.**
